Administering Medicines

Date	Review Date	Coordinator	Nominated Governor
Feb 2022	Feb 2025	Jemma Kenny	Jo Egerton

Introduction

We acknowledge that under the standard terms and conditions for the employment of school staff there is no legal duty for them to administer or to supervise a child taking medication. Supporting pupils at school with medical conditions clearly states that 'Any member of school staff may be asked to provide support to pupils with medical conditions, including the administering of medicines, although they cannot be required to do so. Although administering medicines is not part of teachers' professional duties, they should take into account the needs of pupils with medical conditions that they teach.'

Administration of medicines by any member of the school personnel is undertaken purely on a voluntary basis and individual decisions will be respected. However, volunteer personnel will be expected to undertake sufficient and suitable training and to achieve the necessary level of competency before they are able to administer medicines.

Medicines will only be administered that have been prescribed by a doctor or some other authorised person and where it would be detrimental to a child's health if the medicine were not administered during the day. Non-prescription medicines will not be administered by staff but parents/carers can make arrangements at lunch time to administer the medication to their child.

We ask that parents arrange the administering of prescribed medicines that are invasive such as eye drops, nasal sprays and skin creams.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

- To outline the procedures for administering prescribed medicines to pupils.
- To ensure compliance with all relevant legislation connected to this policy.
- To work with other schools and the local authority to share good practice in order to improve this policy.

Role of the Governing Body

The Governing Body has:

- appointed a member of staff to be responsible for Health and Safety;
- delegated powers and responsibilities to the Head of School to ensure all school personnel and stakeholders are aware of and comply with this policy;
- responsibility for ensuring that the school complies with all equalities legislation;
- nominated a designated Equalities governor to ensure that appropriate action will be taken to deal with all prejudice related incidents or incidents which are a breach of this policy;
- responsibility for ensuring funding is in place to support this policy;
- responsibility for ensuring this policy and all policies are maintained and updated regularly;
- responsibility for ensuring all policies are made available to parents;
- the responsibility of involving the School Council in:
 - determining this policy with the Governing Body;
 - discussing improvements to this policy during the school year;
 - organising surveys to gauge the thoughts of all pupils;
 - reviewing the effectiveness of this policy with the Governing Body
- nominated a link governor to:
 - visit the school regularly;
 - work closely with the Head of School and the coordinator;
 - ensure this policy and other linked policies are up to date;
 - ensure that everyone connected with the school is aware of this policy;
 - attend training related to this policy;
 - report to the Governing Body every term;
 - annually report to the Governing Body on the success and development of this policy.
- responsibility for the effective implementation, monitoring and evaluation of this policy.

Role of the Head of School

The Head of School will:

- ensure all school personnel, pupils and parents are aware of and comply with this policy;
- ensure designated persons undertake suitable and sufficient training;
- ensure designated persons achieve an expected level of competency after a period of training;
- ensure the administration of prescribed medicines by putting into practice effective strategies and examples of good practice;
- work closely with the link governor and coordinator;
- provide leadership and vision in respect of equality;
- provide guidance, support and training to all staff;
- monitor the effectiveness of this policy by speaking with pupils, school personnel, parents and governors;
- annually report to the Governing Body on the success and development of this policy.

Role of the Coordinator

The coordinator will:

- lead the development of this policy throughout the school;
- work closely with the Head of School, designated persons and the nominated governor;
- ensure the following information is supplied by the parent/carer:

- Name and date of birth of the child
- Name and contact details of the parent/carer
- Name and contact details of GP
- Name of medicines
- Details of prescribed dosage

- Date and time of last dosage given
- Consent given by parent/carer for staff to administer medication
- Expiry date of medication
- Storage details

- ensure all medications are kept in a secure place and accessible only to the designated persons;
- ensure all medications are kept cool in a small secure fridge;
- provide guidance and support to all staff;
- ensure a designated person will attend all educational visits in order to administer medications;
- ensure pupils have immediate access to asthma inhalers during sporting activities in the school day and during extra-curricular clubs;
- provide training for all staff on induction and when the need arises;
- keep up to date with new developments and resources;
- review and monitor;
- annually report to the Governing Body on the success and development of this policy.

Role of the Designated Person/s

Members of the school personnel who have volunteered to administer or supervise the taking of medication will:

- undertake appropriate training;
- be up to date with the Individual Health Care Plans for those pupils with specific medical needs or emergency medication such as asthma inhalers or epipens;
- be aware of Individual Health Care Plans and of symptoms which may require emergency action;
- read and check the Medical Consent Forms before administering or supervising the taking of medicines;
- check that the medication belongs to the named pupil;
- check that the medication is within the expiry date;
- inform the parent if the medication has reached its expiry date;
- confirm the dosage/frequency on each occasion and consult the medicine record form to prevent double dosage;
- record on the medication record all relevant details of when medication was given;
- return medications to the secure cabinet for storage;
- always take appropriate hygiene precautions;
- record when a child refuses to take medication;
- immediately inform the parent/carer of this refusal.

Role of School Personnel

School personnel will:

- comply with all aspects of this policy;
- be aware that they have the right to decline administering medicines to pupils;
- implement the school's equalities policy and schemes;
- report and deal with all incidents of discrimination;
- attend appropriate training sessions on equality;
- report any concerns they have on any aspect of the school community.

Role of Pupils

Pupils will:

- be aware of and comply with this policy;
- be aware of the designated school personnel who can administer medications;
- listen carefully to all instructions given by the teacher;
- ask for further help if they do not understand;
- support the school Code of Conduct and guidance necessary to ensure the smooth running of the school;
- liaise with the school council;
- take part in questionnaires and surveys.

Role of the Parents/Carers

Parents/carers must provide:

- written permission by completing the Medication Consent Form;
- sufficient medical information on their child's medical condition;
- the medication in its original container;
- sufficient medicine for the dosage to be given in school.

Training

All school personnel:

- have equal chances of training, career development and promotion
- receive training related to this policy on induction which specifically covers:
 - Health and Safety
 - Medical and First Aid
 - general information about medication
 - administering medications
 - safe use and storage of medications
 - dealing with emergencies
 - Asthma
 - Diabetes
 - Epilepsy
 - Sharps and Needles
 - Manual Handling
- receive periodic training so that they are kept up to date with new information
- receive equal opportunities training on induction

Monitoring the implementation and Effectiveness of the Policy

The practical application of this policy will be reviewed every 36 months or when the need arises by the coordinator, the Head of School and the nominated governor.

A statement of the policy's effectiveness and the necessary recommendations for the improvement will be presented to the Governing Body for further discussion and endorsement.

Head of School:	Clare Larkin	Date:	10 th February 2022
Chair of Body:	Dan Jagger	Date:	10 th February 2022
