BRIGHT FUTURES EDUCATIONAL TRUST

'Tree Tots, 2 year Provision' Admissions Policy

Introduction

Tree Tots is a 2 year old provision which sits within the Foundation Stage Provision at Lime Tree Primary Academy. Admissions are processed through the Tree Tots Manager. Applications are available at the Academy Reception.

This provision has been opened as according to the 'State of Education Survey Report 2016(<https://www.joomag.com/magazine/state-of-education-survey-report-2016/0604114001462451154?short>) 39% of school leaders in the North West say that half of children in their reception class are not 'school ready'. This is the highest percentage in England.

Research shows that Two-year-olds in good and outstanding settings see real developmental benefits according to government research, whereas two-year-olds in poorer quality settings are no better off than those who stay at home" (Government website).

From a school point of view, having provision for 2 year olds ensures that social skills and language skills are worked on before entering the Reception Class. This encompasses early identification of any difficulties. In addition to this with established outside agency links, this early identification is paramount in order to give the children the best available preparation for school.

The setting is based at Lime Tree and is staffed with a bespoke team. The team includes a Manager, Deputy Manager and a Childcare Provider. Close links are maintained with the Academy Nursery. Please note there may be some children who complete their top up hours for our Nursery class during the morning session within the Tree Tots Provision.

Statement of Purpose

The aims of this policy are as follows:

- To provide a fair system whereby children are given their entitlement of Early education and childcare;
- To provide a fair system whereby children can access paid sessions;
- To ensure our provision promotes and secures foundations for future learning.

These aims will assist in preparing children for 'School Readiness'. School Readiness ensures that all children have a wide range of experiences that enables them to be prepared socially, emotionally and academically for their school career.

Settling in Process at Lime Tree

The settling process is bespoke to the child. As a minimum your child will be settled in as follows:

- All parents/carers will be asked to complete the appropriate paperwork to ensure that we know as much as we can about your child;
- All children who have been offered a place at Tree Tots will receive a home visit from two members of Tree Tots staff (Subject to the current climate). This is a chance for parents to ask any questions regarding this important phase of their child's life;
- All children who have been offered a place at Tree Tots will attend three settling in sessions where they will spend up to an hour within the Tree Tots provision. The first session will be with the child's parent/carer. After the initial session the key person will discuss the next steps in the settling in procedure. The settling in sessions will be bespoke and will depend on the individual child and their needs.
